

### Differences between Learning Express Library & PrepSTEP 2yr & 4yr College Edition

PrepSTEP™ is an all in one, online platform designed to empower schools with supplemental support and help students succeed in college and beyond. It includes centers and categories organized to align directly to the needs of the college market with all messaging and guidance pages written to address the needs of college students. (Whereas our flagship platform, LearningExpress Library was created for a diverse audience of patrons that use our resource in a public library.)

*PrepSTEP has additional content not found in LearningExpress Library with additional resources that will continue to be added and be unique to PrepSTEP. Some of which includes:*

- *Over 100 instantly scored Developmental Math Practice sets at different progressive skill levels*
- *Practice sets and tutorials in: Intermediate Algebra, Geometry, Introductory Statistics, Pre-Calculus, Calculus*
- *Practice sets and tutorial modules in core college English skills*
- *Practice Sets in Biology and Chemistry, Physics*
- *College Success Skills Center - which includes strategies and techniques to help students manage life in college and develop key foundational skills with comprehensive tutorials, articles and eBooks*
  - *Tutorials included: Achieve Your Goals, Effective Multitasking, Introduction to Research Skills: Information Literacy, Get Organized, Manage Your Time, Effective Classroom Listening, Memorization Tips and Tricks, Note-taking Strategies, Reading Strategies for Class, Communicating with Your Professor, Using Campus Resources, Basics of Money Management, Investing for Life, Understanding Insurance and Taxes, and more*
  - *Informative articles: How to Write a Works Cited Page, How to Write a Thesis Statement, How to Cite Information, Recipe for Research, How to Avoid Plagiarism, Avoid These 10 Study Pitfalls, Become a Successful Learner, How to Take Good Notes, and more*
- *Soft-skills Workplace tutorials:*
  - Attitude and Teamwork Tutorial, Email Etiquette Tutorial, Workplace Etiquette Tutorial, Time Management Tutorial, Verbal Communication at Work Tutorial*
- *Over 60 additional instantly scored practice tests for CLEP® and DSST® exams*

PrepSTEP includes 30 “Basic” core computer skills courses, so it may duplicate some resources if you have the computer skills center.

*Not included with PrepSTEP 2yr College Edition that was in LearningExpress:*

- *The School Center: which includes math and English resources for elementary through High School students*
- *Prepare for Graduate School Admissions Exams: which contains resources to prepare for the GMAT, GRE, LSAT, MAT, MCAT, PCAT (Available in PrepSTEP 4 –Year platform)*
