# College Prep Resources

## **LearningExpress Library Online Practice Tests**

Learn about careers and find practice tests for occupational exams.

## **Career Center**

Prepare for a career exam, explore occupations and improve your workplace skills here.

## **Computer Skills Center**

Learn the basics of computers, from searching the Internet to using popular programs for word processing, creating spreadsheets and databases, implementing design and more.

## **Financial Literacy**

This resource is packed full of valuable information for students considering college. It dives into the costs of college, applying for financial aid, getting student loans (and how to pay them back) and work-study or co-op programs. It even provides a short list of grant and scholarship opportunities for students to look into.

## **PrepSTEP**

Includes seven targeted learning centers on topics such as preparing for college, high school success skills, career exploration and resume prep.

## **Teen Health and Wellness**

Find articles on applying for college, interviewing for a job and creating a budget. In addition find tools for success with content on communication, critical thinking, leadership, teamwork, time management and more.

## **Additional resources**

In addition to college prep resources, we have several tools to equip you to join the military, start at a trade school or enter the workforce.

Whatever your plans after graduation, we can help you feel prepared.

**Contact your librarian or guidance counselor for details and login instructions for these resources.**
